Certificate of Disability for Discharge

John McStan, a Private of Captain Lewis Maverick's Co(E) 2d. Woods Regiment, Texas Cavalry, was enlisted by L. C. Stevens, on the 29th day of March, 1862, to serve three years or during the War. He was born in Jackson Co., in the State of Ohio aged 27 years, 5 feet 8½ inches high complexion fair, eyes grey, sandy hair, and by occupation when enlisted, a Stock Raiser.

During the last month said Soldier has been unfit for duty, owing to the accidental discharge of a gun in his own hands thereby wounding and seriously injuring the thumb of the right hand so much so as to render him unfit for Military Service

C. S. Service
2nd Ft. Corps, in Camp.

I certify that I have carefully examined John McStan of Capt L. Mavericks Co. E. and find him incapable of performing the duties of a soldier because of an injury done the thumb of the right hand by the accidental discharge of a gun. The first phalanx had been removed when he came under my observation and there is so much laceration of the flexor muscles that he will be unable to use his thumb in loading and cocking his gun. In my opinion he should be discharged the service

Discharged this 8th day of May at Camp Clark Texas

RECEIVED

Capt Stone

"15th May 62". This
is palpable error.
If Captain Stevens un-
-dertakes to say "15th May
'63", thus showing himself
to have been out of service
between 20th May 62, and
15th May '63, and con-
-sequently on the 2nd
of April '63, he admits
that he does not come
within the provisions of
the Law — which is
confined to apply only to
such persons as were in
Confederate service on
the date of its passage.
Hence, his resignation
will not be accepted.
If the Department
is in error in this
interpretation of Attorney
Genl Evans' Endorsement

is probable
of Captain Stevens
Unless it says "N"
"3". Thus showing
he have been out
between 20th May 63
5th May 63, and
subsequently, on the
of April 63, he
that he does not
within the provisions
the Law — which is
confined to apply only
such persons as were in
Confederate service on
the date of its passage.
Hence, his resignation
will not be accepted.

If the Department
is in error in this
interpretation of Captain
Stevens' instructions
his Correction is

Port Lavaca Texas
Sept [illegible] 1863

Colonel.

I have the honor herewith to tr[illegible]
Quarterly Returns of Quartermasters Stores,
Returns of Clothing, Camp and Garrison Eq[illegible]
with accompanying papers for the Quarter ending
December 31st 1863. Also Receipt Roll for
clothing issued in the last half year.

No Receipt Roll was taken for the clothing drawn in July, though issued immediately, because it was thought to be improper to charge them on the Muster Roll for deduction of pay, until the expiration of the half year. And it was thought proper that the Receipt Roll should correspond with the Muster Roll on which the stoppages were entered for deduction, the accompanying Roll embraces the clothing drawn in both the last Quarters, and corresponds with the stoppages on the Muster Roll of December 31st 1862.

It is apprehended (or found) that there is irregularity in these Returns on that account; but the indulgence of the Colonel is asked, as it is not known how to obviate the difficulties of the case.

My Respectfully
Your obdt svt.

Dear Mrs. Mahaffey:

Reference is made to your letter of 25 January 1952, herewith returned.

The records show that one Allen Talley, name not found as Allen D. (Drury) Talley, a private of Company D, 36th Regiment Texas Cavalry, Confederate States Army, enlisted 25 April 1862 at San Antonio, Texas. The company muster roll for January and February 1864, latest on file, does not show him absent. No later record of him has been found.

This collection of records is by no means complete, and failure to find the entire record of Confederate military service does not indicate necessarily that an individual did not serve at some period not covered by the records.

Sincerely yours,

1 Incl

RECORD DIVISION,
REBEL ARCHIVES.
WAR DEPARTMENT.

Camp Sibley. Texas
May 5th 1863

I hereby tender my resignation as 1st Lieutenant of Co E. Woods Regt Texas Cavalry - Said resignation to be unconditional & immediate in its operation - Reasons for the same -

1st

I joined the Service soon after the fall of Fort Donaldson at which time there was a gloom on the public mind South in regard to the issues of our great struggle for independence, being at that time exempt from Military Service both on Account of age & holding Civil Office -

2d That I joined the Service from patriotic motives entirely, expecting to be placed in active Service & for that purpose

3d - That in view of such expected Service I was induced to remove my family from their home more than 100 miles for better Security from indians & renegade Mexicans, (my residence being in a frontier County), leaving my Stock, & much valuable property to be preyed upon by the evil disposed -.

4th That I have been now 14 months in the Service and have never been called upon to face the enemy, but on the Contrary have been marched and Counter marched from one post to another, until I feel Convinced that I am doing myself a great injury in point of health, wronging my family, & doing no Service to the Country -

5th I am over 45 years of age, and feel unable

to bear the hardships and privations of a Camp Life unless there was a real necessity for the Sacrifice. The premises Considered I would respectfully ask for leave of absence from duty, and for final discharge

Respectfully &c.

Sir

I have the honor to transmit to your office Quartermasters Reports Invoices Receipts &c for the 2nd Quarter and part of July 1862. The Regiment Train and Co's Funds have not sufficient to transport our Company & Prisoners of War and all the Quartermasters Commissary and ordinance Stores. Therefore I was compelled to leave part behind. And when we reached San Antonio Capt Holmes was left in charge of the Prisoners, the Train unloaded without being able to be present. And some of the boxes containing the Stores are missing and I have not been able to recover them The articles missing are not of much value most all being useful for camp purposes I think you will release from all responsibility

I will also state that I have not been able to procure the Army Regulations or Blank Forms for making out the necessary Reports &c. I have done the best I could under the circumstances and hope you will correct any

Sir

I have the honor to state to the Comd'g Gen. that I have been relieved from duty at Eagle Pass and ordered to this place by my Lieutenant

I beg leave to state facts to the Comd'g Gen.

Some few months ago when I was at this place on Gen Banks and 2nd Lieutenant of my Company was in Comand at Eagle Pass. Col Ford sent him Lt. Gen Smith's Order (herewith enclosed) and the Instructions which I also enclose a copy. Lt Goodlow did not think it actual necessary to close the Post at Eagle Pass until he recd positive instructions. But in a few days Lt Robinson of Capt Fiddings Company took comand and assumed the responsibility of closing the Post in advance of instructions. Capt Fiddings took comand in a few days after & still kept the post closed. I was ordered up to the Pass and assumed comand on or about the 15th inst. After carefully examining the enclosed order (Gen Smiths) & Col Fords letter & seeing the immense risk in having all the Cotton burned.* I spared the inclosed Order as I did not think there had been any brave act at Eagle Pass by the Comd'g Officer authorizing him to close the post & seeing the great benefit to my Country in getting the immense Amount of goods &c. on the opposite side into our Country & knowing that it would take the

half of the Cotton to pay freight all of which came back into our Country I acted in accordance & believe I have done my duty & what was right.

In the mean time you will perceive I had a promise to my order Par III from which I did not receive an answer, & I understood after it was mistranslated & sent up to the Comd'g Officer (in Mexico) as a petition from the Citizens of Matamoras (Padres & Negros) As there was not a Bale of Cotton shipped the Rivers while I was in Command, my intention was to have stopped it, which I should have done had he been willing to have allowed all Goods &c. to have crossed to our side.

The letter from Gen Smith & the enclosed letter from Col Ford are all the Orders or instructions, turned over to me by Capt Giddings & all that I had ever seen.

I would further state 2nd Lt Goodloe & 2nd Lt. Pierpont of my Company approved my action in the matter. Also Dr. Lee the Head of the Cotton Bureau there I done exactly right. I enclose you copy of his Letter to May Dickinson

Sir

Capt Wyman has been ordered to report at San Antonio in consequence of an order made by him - allowing one half the cotton to pass for the purpose of paying freight &c. This order was not made by the Captain in contravention of any Order in his possession, but under an order of Col Ford dated Jany 21st 1864 which is herewith enclosed in which he states that if you act under Gen Smiths Order No 8 in advance of instructions, he thinks that you will be sustained - Capt Wyman was requested by me to allow half the cotton to pass over for several reasons - one was that it was & still is in great danger here from the torch of the Renegade band of the Confederacy - another reason the difficulty of getting money to pay freight - another was we are compelled to have provisions from the other side - another I said not consider that the Order of General Smiths had officially reached this place

Sir.

I have the honor to state to you that I was relieved from duty at Eagle Pass some few weeks ago & ordered to report to Gen. E. Smith at San Antonio. I beg leave to state facts to the Comd'g General. Sometime about the last of January, while I was in San Antonio on my Business Lt C. Goodlee of my Company was in Command at Eagle Pass. Col Ford sent him Gen Smiths Order No 8, with instructions a Copy of which I enclose. Lt Goodlee did not think it altal necessary to put the post upon his own Responsibility and would not act in advance of Instructions. Lt Robinson of Capt Ed. Giddings Company came up to Eagle Pass a few days after & closed the post but still allowed some cotton to pass. Capt Giddings took Command in a few days after and kept the Post Closed. I was ordered up from San Antonio & took Command of the Post on or about the 15th Feb. after carefully examining Gen. Smiths Order and Col Fords letter of instruction. I did not think it right to take the responsibility of keeping the post Closed until Subordinates from Dist Hd Quarters to whom Gen Smith issued an order opening the Post allowing half the Cotton to pass, but the Comdg Officer on the Mexican side would not allow the Post opened from his side, therefore my Order was never carried into execution and there was not a Bale of Cotton passed the lines while I was in command.

I would further state up to the time I was relieved (about the 21st Feb) no positive orders had been received at that Post ordering the Post Closed. The last nothing but Gen Smiths order which came through me, I was informed

I Col Hardee letter of Instructions. Had Col [illegible]
ordered the Post Claud of course, he should have obeyed
the Order promptly. If Hardee does or acts in the
matter as I should.
I wish to say that Mr Lee the Head of the Cotton Bureau approves
of Lt Hardee & my actions. I soon under the management
that he was acting in place of Maj Winfield at that Post

REBEL

Sir, It is my most desire to carry out the Governments orders in
the organization of this Brigade for service at once, but I deeply
regret to have to report to Your Excellency the unpatriotic conduct of
influential persons in this City in endeavoring to prevent
the carrying out my instructions; 1st by a part of
the threats that if persons in my institutions of Carrying
Arms be striking persons claiming American Citizenship,
have been here for sometime most of them owning everything
in Texas and all making their living out of the Country,
I first the Case of Colonel Juan Garcia Ramirez of Mier
who was shot by his own men in the town of Mier,
two months past, because he ordered his men to march
to Matamoras. - I think his Excellency knows me well enough
to know that no intimidation of this sort would have any
effect on me. - 2d - By Capturing persons here claiming
to be Mexicans, who have evaded the Conscription, that
are not liable for such service coming in the provisions of the
Treaty made between the Republic of Mexico and the U.S. in 1848.
I will confer with this one of the Parties before allowed to
be Arrested for one of the Men drafted, and had it
known to Governor Ruiz at Matamoras to be presented to
his Excellency.

I think it my solemn duty to inform the Governor
the names of these Citizens who have so far forgotten what they
owe to their Country. They are Mr Peter Boord, Deputy Collector
of Customs and Mar Tax Collector, Mr Saml. J. Stewart Chief
Justice of Starr County, and Mr James Hill County Clerk

[illegible] the Citizens who [illegible] and also made [illegible] that attached to their [illegible] from their official positions were naturally looked up [illegible] the Mexican population, and when told by them that [illegible] a violation of international law to force any one [illegible] Mexican citizenship into the Militia of the [illegible] of Texas; I cannot blame the poor Mexican for [illegible] Well I want to do them no injustice"

[illegible] Sage Grove and will continue to do all in my power [illegible] the laws, but have great difficulty to contend [illegible], as there is no confidence [illegible] here who is willing to [illegible] me. It is unfortunately necessary that I should [illegible] some help; and I would therefore respectfully and [illegible] request of the Governor to have Lieut Madison [illegible] the Militant Band of Co. H. 32d Regt Texas Cavalry, [illegible] to me for duty. Lieut is a person in whom [illegible] confidence, his loyalty to the South has been tested before the Courts of Texas, and his energy and [illegible] qualify him for the position."

I am
Very Respectfully

The troops of this Brig. have their

Their families in this far west in a

I have the honor to state that my Regiment arrived here last evening at which place Maj. Tait Brig. Gen. & Col Guibor Right are encamped. I assumed command of the Camp. I am assisted by Lt. Col Early of Col Guibor Regt. That due forty of his troops left his Camp without leave and are supposed deserted

In connection with this I will assume you for making a statement which I assure you is not done from a desire to complaining spirit but what I conceive to be for the good of the service. The disorganizing spirit that has manifested itself in some Regiments is perceptible in some degree in others. So far I have been able to control mine most satisfactorily. There has been but very few desertions. Yet I am under the necessity of saying that just at this time there is a great dissatisfaction among my troops the cause of which I will candidly state you.

We have been in the service nearly two years & are receiving with others though just brought into the service by draft and this latter with their bounty and more supplied with cash. My Regt. is definitely discommoded & their bounty

Sir,

Paragraph XV of Special Orders
No 119 was duly received by me, and by leave to make
the following statement explanatory of my inabil-
ity to execute it. On April last while on
the March to Brownsville, and near Nueces,
two horses apparently belonging to the service
(being shod, and travelling on the road) were
by my Order taken care of. I caused enquiry
to be made as to whose they belonged. (at the
Ranche - I suppose Cotham's) The Mexicans
in charge of the Ranche knew nothing of the
ownership. During the day, a man in the
service came and claimed, and took one
of them. The other, (saddled) he found in
the Corral, was turned loose, fearing if taken
further, the recovery by the owner might be
more difficult. The horse has not been heard
from since.

Very Respectfully,

Head Quarters
Fort Larned July 3rd 1869

Sir.

I had the honor of receiving (on yesterday by express) an order from Genl Sheridan as follows "Major Thomas Duncan Commanding Regiment of Cavalry will proceed forthwith to Fort Larned & take command of the troops at that Post & the duties of the Post will be performed by him until further orders"

As a matter of Course I shall promptly & immediately obey the foregoing order; I have however been instructed by Genl Sheridan to submit an answer I think I may be allowed the liberty of making a statement of facts, with inquiries relative to questions material & the Right And respectfully ask to be advised thereto.

Is this Regiment permanently to be mounted And if So have the troops an opportunity of disposing of their horses & the Government a reasonable price? It is generally conceded that the Right has not been recalled in point of law - many by any Right are mired in the state - very many of the soldiers have involved themselves in debt, And other have invested nearly their whole pay up to the present; in the purchasing their horses, Arms, And Horse equipments - they are not able to [illegible]

and the dismounting of the Regt. have to a great extent deprived them of any opportunity of making [illegible] the full value -

The arms of the Regt. are Rifles - Artillery Carbine shot guns & Colt Revolving Pistols - Will they all be retained in the service of the Regt.?

I beg leave most respectfully and earnestly to ask of you the favor to allow me the Companies lent to Ringold Barracks, Reference to this Regt. as soon as it is [illegible] - The Companies composing the Regt. never have been permitted to be together at any one time, which has rendered it greatly to the prejudice of the drill & efficiency of the Regt. I am constrained to refrain from a detailed account of the various detachments of Companies from the Regt. as it is too tedious to enumerate or read an account of them -

I need not say that the order for dismounting the Regt. was received with deep regret, but in view of the implicit confidence with which I have [illegible] in your judgment, the Regt with the least grumbling possible - One of the great sources of pride to the Regt. to be styled a Cavalry Regt - saying nothing of the sacrifice of the choice of service which is of no small consideration -

If it is expedient that the dismounting of this Regt. be but temporary we will be most happy to the service of the Govt -

Very Respectfully Your

In reference to the 1st Regt

As to the 2nd Regt order I have to report that I transmitted your communication of yesterday an exact report of the Ammount of the Transportation on hand in the 32nd Regt 26. Showing that there was not sixteen Wagons in the Regt. I was informed by Lieut Col Barton that you told him personally at Murfreesboro that you wished to have the 2nd Wagons -

I did not think from your Order Contemplating depriving the Hospital of one wagon - nor to take from the 2nd its Ambulances all means of suddenly transportation - At Murfreesboro, pursuant to Order of Gen Scurry I turned in ten Wagons and teams from my Regiment -
